Chev brakes are snarling as you stumble across the road

But the day breaks instead so you hurry home

Don't let the sun blast your shadow

Don't let the milk-float ride your mind

They're so natural - religiously unkind

Oh no love! you're not alone

You're watching yourself but you're too unfair

You got your head all tangled up but if I can only make you care

Oh no love you're not alone

No matter what or who you've been

No matter when or where you've seen

All the knives seem to lacerate your brain
